Mr W Telford, playing at 4th board for Kirkcaldy High School A Team, played in all his team's matches and won all his games. Messrs. B. Laidlaw and R. Leishman, playing first and second for Nairn, played well throughout the season and conceded very few points. The clubs have been enthusiastic and members have enjoyed taking part in the various matches which have given them a wider experience of the game. There is no doubt that the same friendly spirit which has prevailed throughout the season will be maintained next season.
