### **Chess Club Move**

Moves are afoot to form a chess club in Glenrothes. A chess evening is being held at Newcastle Community School on Tuesday, April 9, to gauge local interest in a club.

Novice players are invited to come along between 7 and 8 p.m. , whilst more experienced chess men can drop in between 8 and 10 pm.

One of the organisers, Mr Walter Pearson, told the Gazette: "We would like to see as many people of all ages coming along."

Meanwhile, at the Fife Schools Chess Jamboree at Auchmuty High School last Saturday, pupils from Balwearie and Glenrothes high schools, fought to the last match before Balwearie won the event.

The other schools which took part were Auchmuty, Queen Ann and Buckhaven high schools.
