## **Wee Chess 'Men'**

### **Descend**

Over 400 young chess 'men' from all over Scotland will descend on Glenrothes H.S.

The all-day spring jamboree organised by SJCA, will see both primary and secondary pupils pitting their wits against each other over the board.

And on Monday evening, Glenrothes Schools Council decided to give the Association a concessionary let of the school.

They heard that the youngsters will use the school's hall, canteen and a few classrooms in the west wing for the event.

Commented Council member, Mr Alex Devlin, "we should welcome them with open arms"
