Rivalry between Glenrothes and Balwearie Seniors remained intense, with Balwearie winning the decisive Senior League match.

But Glenrothes triumphed in the Scotsman's Schools Scottish Championship semi-final.

Unfortunately, Glenrothes lost in the final to Greenwood Academy, but enjoyed the festivities at that ceremonial event.

The Knockout will not be resolved until late in the summer terms, with Glenrothes and Auchmuty playing for the right to meet Balwearie in the final.

We still hope to run another 'Allegro' tournament for individuals, following the popularity of last year's event.
