## Checkmate for pupils

CHAMPION CHESS players from Carleton Primary School in Glenrothes have won the Fife Primary Team Chess Challenge.

At the event in Glenwood High School, Ross Kerr ensured Carleton took home the winning shield.

Other primaries competing in the tournament were Markinch, Newcastle from Glenrothes and Pitreavie from Dunfermline.

Chess instructor Stuart Blyth said, "The win was a great achievement for the school and it is even more impressive that this was the first time some pupils had ever played in a tournament."
